PLANT LIST

50,000 SQ. FT ONE MASTER SITE

We operate from a brand new, state of the art facility at Gravelly Industrial Estate, Birmingham.

From this location we are able to provide a full suite of direct mail services in-house, including: data management, print, personalisation, polythene and envelope enclosing, postage and more.

Our new unit is easily accessible by all forms of transport. We are conveniently located less than 3 miles from Birmingham city centre, 0.6 miles from Junction 6 of the M6 and in close proximity to major train stations and Birmingham Airport.

Our 50,000 square foot super-site is A-rated for carbon efficiency and comes equipped with a number of unique features, including:

- Dedicated print room with temperature-controlled environment and filtration system
- Custom designed and installed data cabling
- Bespoke electrical and air solutions
- Sensor activated LED lighting and intelligent heating
- State of the art integrated phone systems
- 3,000 pallet spaces, a 8,000 sq. ft mezzanine floor and a dedicated secure racking area

Central Mailing Services Ltd
Units 59 & 60 Gravelly Industrial Park
Birmingham
B24 8TQ

Partners in Quality with

WHY CHOOSE OUR HIGH QUALITY SERVICES?

At Central Mailing Services we are all about quality, in every sense of the word.

We strive for excellence in everything we do and pride ourselves on delivering the very best in customer service and production quality.

We deliver complete Direct Mail solutions from our 50,000 sq. ft unit at Gravelly Industrial Estate, Birmingham. Managing all aspects of Direct Mail on-site, we provide: in-house data cleansing; print processing; envelope/polythene enclosing; mail fulfilment; postage and more.

We are confident in handling all of your direct mail needs. Our clients include the likes of Grant Thornton, Oxford University Press, NHS, BBC and Coca Cola. We are GDPR compliant and data secure, as well as ISO 27001, 9001 and 14001 certified. In addition to this, we are Royal Mail Partners in Quality, Customer Service Excellence (CSE) certified and rated 5 Star: Excellent on Trustpilot.

As a business we take a number of steps to reduce the environmental impact of our operations. Our production facility is rated 'A' for carbon efficiency and comes complete with sensor activated LED lighting and intelligent heating.

We use eco-friendly materials where possible, including sustainably sourced paper, bio-degradable polythene and recycled card. Employees are encouraged to cycle to work and carpool schemes are also available.

Our environmental efforts are acknowledged through the receipt and continued retention of ISO 14001: Environmental Management.

If you're looking for the complete Direct Mail service provider then look no further than Central Mailing Services. We have been providing Direct Mail solutions to businesses nationwide and abroad for over 25 years. We are confident we can save you time and money on your mailings, whether you're sending 100 items or 1,000,000.

We look forward to working with you.

Mitesh Chouhan
Managing Director
